

Our Values

Respect

All employees will be polite and supportive to each other. Everyone's contributions will be valued and employees will listen to and hear others, and be sensitive to their position.

Ambition

All employees will set high standards and aim to continually improve. Feedback on performance will be sought and acted upon and employees will be encouraged to put forward new ideas to support further improvements to service delivery.

Integrity

Every employee will, in acting as an ambassador for the Council, maintain high standards of personal conduct demonstrated through an honest, open, impartial and tolerant approach when dealing with colleagues, the public and other organisations.

The Elements of SMART
